Key Features

- 1. Cummins Engines:** Powered by 480hp QSB6.7 Cummins engines, this yacht delivers exceptional performance and fuel efficiency. The 1000hr service has been completed on engines, pods, and gensets including fluids and cooling system services. (May 2023)
- 2. Pod Drives:** The inclusion of pod drives enhances maneuverability and control, making docking and tight turns a breeze. Experience effortless and precise handling with this advanced propulsion system.
- 3. Spacious Interior:** Step inside the well-appointed interior, a 15.8ft beam provides a spacious salon with large windows that flood the area with natural light. The elegant teak finishes and luxurious furnishings create a warm and inviting atmosphere, perfect for entertaining guests or relaxing with family.
- 4. Well-Equipped Galley:** The fully equipped galley offers all the amenities needed to prepare gourmet meals while onboard. With high-quality appliances, ample storage space, and a convenient layout, cooking becomes a pleasure.
- 5. Comfortable Accommodations:** This 43 Grand Banks Europa offers comfortable sleeping arrangements for up to 4 guests. The master stateroom features a large island berth, while the guest cabin provides twin berths. Both cabins have their own heads, ensuring privacy and convenience.
- 6. Flybridge and Aft Deck:** Enjoy breathtaking views from the flybridge, equipped with comfortable seating and a helm station. The spacious aft deck provides an ideal spot for al fresco dining or simply relaxing while taking in the surroundings. With new roll-up shade screens on the aft deck, the space can be utilized in any climate.
- 7. State-of-the-Art Garmin Electronics:** This yacht is equipped with a comprehensive suite of electronics, including GPS, Garmin radar, Precision Pilot autopilot, and Icom VHF radio. Stay connected and navigate with confidence, even in the most challenging conditions.
- 8. Well-Maintained:** This 2013 Grand Banks Europa has been meticulously maintained and cared for by its current owner. Regular servicing and upgrades ensure that it is in excellent condition, and ready for its next adventure.
