## Description

“Sea Smoke” is a wonderful opportunity to own a well-maintained Marlow Explorer that shows like a much newer yacht as her owners have spared no expense maintaining her from bow to stern. She is the ultimate example of a “turnkey” yacht that is ready to go on her next adventure. “Sea Smoke” was built with an awesome semi-custom air-conditioned semi-enclosed flybridge that has a hard enclosure on the front and sides, leaving the aft completely open. This provides a level of cruising comfort unlike any other. She can be cruised at an efficient 8 knots using a mere 4GPH per engine or fast cruise at 16 knots with a top speed of 19+ knots. The 18' 2" beam makes her 61 feet feel more like a vessel in the 70+ foot range. The full beam master stateroom is amidship with a private his/hers en-suite head. Two additional staterooms forward, guest head, plus crew quarters with head aft allow for many family and friends to join the cruising adventures! The Portuguese bridge, covered side decks, and Marlow’s proprietary Velocijet Strut Keels are just a few of the features that make handling the boat very safe and easy for a cruising couple. There is a docking station in the cockpit to make docking a breeze. The full standup engine room makes maintenance work much more pleasurable. This is a great opportunity to do down island cruising and fishing with this custom 61E Marlow Explorer semi-enclosed bridge Marlow Explorer!

## Information & Features

### Caterpillar C12 (Engine 1)

Type:	<b>Inboard</b>	Power:	<b>705 hp</b>
Fuel Type:	<b>Diesel</b>

- Full Engine and Genset Service (August 2023)
- Upgraded Starlink and wireless internet
- New wireless Printer
- Aft deck sun shade
- Garmin Displays upgraded to be linked to Sound System and TV

## Main Salon

When you enter the salon from the aft deck you feel the spaciousness of the vessel's 18'2" beam with the salon and galley to the forward windows. The tinted windows and wooden blinds allow for just the right amount of light to enter the room. The aft salon entrance is through a pair of large doors that can open fully to connect the aft deck space with the salon. Perfect for entertaining large groups. The large settee to starboard is upholstered in Ultraleather with two comfortable loose chairs to port. On the starboard side, forward of the settee, you will find a desk equipped with ample storage. The overhead teak valance on the starboard side has slots that diffuse the air-conditioning through the room.

- Teak and holly floors
- 40" Samsung TV (forward wall)
- Samsung Blue ray player
- Uline Wine Cooler (port aft)
- Subzero refrigerator with ice maker (port forward)
- Settee to starboard (storage underneath)
- 2 loose seats to port
- End table between chairs on port side
- Desk on starboard forward corner
- Custom Marlow built coffee table

## Pilothouse/Galley

The pilothouse is up three steps from the salon and includes the lower helm station, dinette and galley. There are port and starboard exterior doors, a staircase forward that descends to the staterooms and a staircase on the port side aft ascends to the flybridge. The galley is very well equipped with top-of-the-line appliances and plenty of storage for provisions and housewares. The galley is U-shaped with beautiful Creamy Marfil countertops. The lower helm is a comfortable area, complete with helm chair for the captain. Next to a gorgeous teak dinette with Ultraleather seating for guests to port.

- Teak and Holly floors
- Two Sub Zero refrigerator/freezer units (4 drawers)
- Kenyon cooktop
- Sharp Microwave
- Grohe faucet
- Franke stainless steel sink with decorative cutting board cover
- Fisher Paykel dishwasher
- Liebroc helm chair
- Dining area to port
- Helm Station with full Garmin Navigation package

## Master Stateroom

The master stateroom is amidship and full beam, making it very light and roomy with teak and holly sole throughout. "Sea Smoke" has a centerline berth with large drawers underneath. The walls and cabinetry are all satin finished birds eye maple with teak trim. The en-suite his/her head is very spacious with a connecting shower in the middle, Black Galaxy counters, Grohe faucet, several drawers, and cabinets with shelves for additional storage.

- Teak and holly floors
- Birdseye Maple walls with teak trim
- Centerline berth with his/hers ensuite head
- Ample storage throughout
- Settee to port
- Black Galaxy head countertops
- Grohe faucets
- 29" Samsung TV
- Shoji screens

## VIP

The VIP stateroom forward has a centerline berth with large drawers under the berth. All the cabinetry is satin finished bird's eye maple with teak trim. Each hull side is finished with overhead lockers with louvered teak trim. There is a 22" flat screen TV that is mounted in a custom teak frame.

There is a full head with separate stall shower accessible from the VIP stateroom or the companionway to allow use of a day head or for guests in the starboard guest stateroom.

- Teak and Holly floors
- 22" Samsung TV
- Birdseye Maple walls with teak trim
- Lockers to port and starboard of centerline berth
- Ample storage throughout
- Private entrance to guest head
- Black galaxy countertops in guest head
- Large shower in guest head

## Starboard Guest Stateroom

The guest stateroom is on the starboard side of the vessel at the base of the stairs from the pilothouse. This stateroom provides two comfortable bunks and a cedar-line hanging locker.

- Teak and Holly floors
- Birdseye maple walls with teak trim
- Twin stacked bunks
- Ample storage

## Semi-Enclosed Flybridge

The flybridge is an excellent place for fair weather cruising and entertaining guests with two helm chairs, one on centerline.

The air-conditioned semi-enclosed flybridge protects you from the elements as the semi enclosure runs along the front, port, and starboard. The bridge is accessible by stairs from inside the pilothouse and outside from the aft cockpit. There is comfortable seating for eight people, with a table.

- Wolf BBQ grill
- Subzero Refrigerator
- 1000 lbs. Aritex Davit (Full hydraulic positioning and rotation- telescoping)
- Hydraulic Swim Platform with Fishing Station
- AwlGrip painted Flag Blue hull
- Cockpit shower
- Swim ladder
- Dual Stainless-Steel anchors
- Fresh water and raw water wash down system at bow and stern
- Dinghy chocks
- EPIRB
- Lewmar bow and stern thrusters
- Release Marine's rocket launcher on swim platform
- N-rails on Swim Platform
- Rod holders built in on lockpick aft cap rail

## Deck

The raised pilothouse, Portuguese bridge, wide side decks, combined with her state-of-the-art semi-displacement hull makes the Marlow Explorer one of the most comfortable, safest yachts in any sea condition. The hard chines coupled with the twin Velocijet Strut Keels provide a stable platform that help keep the vessel from rolling at sea and assists in keeping her going straight, while also protecting the running gear and enhancing overall performance and ride. The side decks are fully protected by bulwarks topped with teak cap rails that are waist high aft and higher forward. The foredeck is accessed through the Portuguese bridge double doors. The twin stainless steel anchors are set up with all chain on the dual windlass.

The 1500 USG fuel tank can be filled from either side of the yacht. The teak decks offer the best surface under your feet whether wet or dry and add a classic timeless touch to the yacht. They are also epoxied in without any screws so they will be easy to maintain and not be a source of potential leaks for years to come. "Sea Smoke" is equipped with a wireless yacht controller and docking control station in the cockpit which allows operation of the gears, throttles, and both bow and stern thrusters making docking easy.

## Electronics

- (4) Garmin 8215 Screens
- Garmin AIS-600
- (2) Garmin VHF
- Garmin Autopilot GHP-12
- Garmin Radar GMR606XHD 6kW 6' array
- Garmin Sounder GSD-24
- (4) Garmin instruments GMI 20
- Furuno B122 Smart Transducer
- (3) Garmin Cameras GC10
- Garmin Satellite Weather GXM51 XM Sat Antenna
- Wireless Yacht Controller
- Wireless Davit Controller and Plug in Remote, either can control the Davit
- Wireless Remote for Lewmar Thrusters
