Description

Now is your chance to own the popular and fun Sea Ray 390 Motor Yacht. This well maintained and cared for vessel is powered by twin Cummins 6CTA8.3 480CE 446HP Diesel engines, with an Onan 9kw Generator. She is in excellent condition and fully loaded with electronics, 4-zone air conditioning including cockpit, 2-staterooms, 2-heads, full galley, bow thruster, electric windless anchor, and hot/cold transom shower. The current owner removed the salon carpet and laid wood planking which adds another element of beauty and elegance. The air-conditioned cockpit has ample seating for relaxing after a day on the water, or entertaining dockside, with full isinglass at the sides and aft to allow for complete enclosure when desired. The upgraded seadecking is beautiful, functional, and easy to clean.

Accommodations

Heads: **2**

Deck/Cockpit

Boarding Infinity 2 is done from the swim platform. Walking up 5 steps leads you into the cockpit and helm station with room for entertaining. As you enter the cockpit you will notice the spacious area complete with a settee and dining table, sink, portable grill, and refrigerator. The seadeck is comfortable to walk on and looks beautiful in this space. Forward of the sink and refrigerator is the helm station. Comfort and convenience was carefully thought out for the captain with ease of visibility and reach of controls, and seating for a guest or mate. The full-length acrylic doors, both port and starboard, offer protection from the elements and additional safety with small children aboard. Through those doors is access to the bow anchor, spot light, and a great lounge area when at anchor or dockside. Stainless steel handrails line the outboard side of the walkways for added security when walking to the bow.

- Seadeck.
- Settee with table.
- Wet bar with refrigerator and sink.
- Portable grill.
- Updated LED lights.
- Updated JL audio marine speakers.
- Full Isinglass enclosure.
- Acrylic doors port and starboard.
- Stainless steel handrails.
- Freshwater spigot at cockpit and transom.
- Cockpit hot/cold shower.
- Dockside water inlet.

Helm Station

The helm station is located forward in the cockpit on the bridge. With a hard-top, full windows forward, and isinglass at the sides and aft, this allows the captain to be among guests even when underway. The full array of electronics and navigation including autopilot and depthfinder are within easy reach of the helm seat. With the bow thruster and 360 degrees of visibility this boat is easily navigated in and around the docks.

- Raymarine Chartplotter/Navigation.
- Raymarine Auto-pilot.
- Raymarine Depth-finder.
- Raymarine VHF radio.
- Clarion Radio controls.
- Engine monitoring system.
- Vetus bowthruster joystick.
- RCL-100 Spotlight controls.
- Danforth Compass.
- Captain helm seat.
- Mate seat.
- Navigaton light switches.
- Windshield wiper switches.

Salon and Galley

As you walk down the 5 steps from the cockpit into the salon, your eyes will be drawn to the dark cherry color cabinetry and wood plank flooring. The L-shaped settee to port, and additional settee to starboard, allows for ample seating inside to lounge, enjoy a meal, watch tv, or entertain company. With large windows on both sides, it allows an abundance of natural lighting. Forward and down two steps is the galley, fully equipped with an upright refrigerator and freezer, stove-top, and microwave. Cabinetry above and below the counter provides plenty of storage. The main distribution panels with breakers for AC and DC power are located in the aft port cabinet near the master stateroom. The engine room access is through the hatch in the salon floor.

- Ultraleather L-Shaped settee to port with storage underneath.
- Ultraleather Settee to starboard with storage underneath.
- Flatscreen TV.
- CD player.
- Coffee table with hi-low functionality, and stools/ottomans that slide beneath.
- Storage Cabinets.
- Hatch to access engine compartment.
- Norcold Upright refrigerator/freezer.
- Toshiba Microwave.
- Kenyon Double Burner Electric stovetop.
- Main Distribution Panel and switches for 240 & 120 Volt AC power.

Main Distribution Panel and switches for 12 Volt DC power.

Master Stateroom

The master stateroom is full beam and provides warmth and comfort. The queen-size bed is centerline with a large window above allowing for plenty of natural lighting. To starboard there is a well-lit vanity centered between two doors. One door opens to the full stand-alone shower, and the other, to the separate head. Port has dresser drawers with large mirrors above, and a cedar-lined hanging closet. Additional storage cabinets are forward of the berth near the mounted flat screen TV.

- Queen-size berth.
- Separate head with vacuflush toilet.
- Dark cherry walls and cabinets.
- Vanity with sink and mirror.
- Stand-up Shower.
- Flatscreen TV.
- Cedar-lined hanging closet.
- Cabinets and built-in dresser.

VIP Stateroom

The VIP stateroom is a V-Berth consisting of two berths and a door accessing the guest head. The opening port window above provides natural light and fresh air when desired. There is ample storage above and below the berths allowing for the owners to use as overflow for themselves, or room for guests spending an extended amount of time aboard. A flatscreen TV gives your guests their own area to relax and enjoy quiet time.

- Two berths.
- Flatscreen TV with DVD.
- Head with vacuflush toilet and stand-up shower.
- Dark Cherry cabinets and drawers.

Engine / Mechanical

- Twin Cummins 6CTA8.3 480CE 446 HP Engines.
