Description

This immaculate 2018 53E-CB Marlow Explorer offers the perfect balance of fun and elegance. As you step onto the cockpit you will find ample space for entertaining, seating, and storage. Walking into the salon through a set of sturdy aft doors immediately gives you the cozy feel of home with a long settee to port and an L-shaped settee to starboard. In this space you will find ample storage throughout, including underneath the settees. As you walk forward and up a couple of steps on the port side brings you up to the pilothouse/galley are. Here you will find a gourmet galley aft and large dining area forward. A set of stairs on the starboard side lead you down to the companion way and 3 staterooms. As you come down these steps and arrive at the landing area of the companionway, you will notice the VIP stateroom forward, guest stateroom on the port side, and the full beam master aft. The master has an en suite head located to starboard with a laundry room located aft of the stateroom providing a walkway from the master into the engine room. The VIP and Port guest stateroom share a head located on the starboard side of the companionway. Heading back up to the Command Bridge level you will notice the 360° sight line of the vessel from up here. The helm station here is equipped with an impressive array of electronics and provides a great view whether you are cruising or at anchor enjoying this climate-controlled space. "JESSRAY" is powered by twin Caterpillar C12.9L diesel engines (850hp each) and twin 13.5kW Onan generators. She is stored inside an air-conditioned shed during summers. Whether you are looking to head up the intracoastal for a sunset cruise or taking the trip of a lifetime to the Caribbean, this 53E-CB Marlow Explorer is the right yacht for the job.
