Description

The Sabre 38 Express combines classic Down East styling and lively performance in a hardtop cruising yacht of exceptional beauty. Built on vacuum-bagged hull with a wide 13-foot, 8-inch beam and prop pockets, the focal point of the 38 Express is her semi-enclosed pilothouse with its swivel helm and companion seats, folding teak table, and full wet bar with refrigerator and ice maker. Stepping below, the handcrafted cherry interior of the 38 Express offers all the conveniences and amenities sophisticated cruisers demand, from a recessed entertainment center with flat-screen TV and DVD player to a beautiful inlaid dinette table crafted in cherry and bird's-eye maple. A sliding door separates the master stateroom from the salon, and the compact but functional galley is positioned close to the companionway steps where it's convenient to the helm deck. The hardtop has a pair of screened hatches for ventilation and the side windows slide open. The wide side decks of the Sabre are notable.

Accommodations

2008 Sabre 38 Hard Top Express

WEST WIND and her traditional design offers spacious accommodations and excellent performance that any boater would desire. Equipped with the upgraded, twin Cummins 480hp QSB5.9-480 diesel engines, WEST WIND proves to be quiet, economical, and efficient at all speeds.

WEST WIND, offers a wonderfully laid out interior and exterior, providing accommodations for your family and guests. Her exterior features wide side decks for easy access to the bow and spacious cockpit that is perfect for lounging and entertaining. The helm deck is surrounded by large opening windows and overhead hatches for maximum ventilation and light. Stidd Captain's and Mate's seats and an aft L-settee provide for extreme comfort when cruising to your destination. Below deck, a complete cherry interior represents high quality Sabre finishes. The main salon is configured with a long L-shaped settee and, her maple-inlaid salon table drops to form a guest berth. Her well equipped galley offers a refrigerator, electric cook top, convection microwave oven, as well as ample storage for extended voyages. The forward stateroom offers a large, Island berth with a memory foam mattress, ample storage and a private entry to the spacious head. The head features a separate, circular shower stall, plenty of storage and an electric head with a waste monitor.
