## Broker Introduction

This yacht has been Captain maintained and very lightly used. She is in excellent condition inside and out. This Marlow Explorer 49E has a semi-enclosed fly-bridge, low hours, customized upgrades, unique designs and high powered Cummins QSM11 engines, and the stunning look of the world renowned Marlow Explorer flag blue hull. She is ready for immediate delivery. Come step up to the yacht that is sought after by many and owned by a small few. Call today for a private tour of this fantastic yacht.

## Accommodations

Upon boarding the 49E Marlow Explorer, you will notice the interior volume and expansive 360 degree views with large salon windows allowing for comfort as you cruise to your favorite ports of call. The 2 staterooms with private heads offer nicer staterooms than any yacht in this size range. The large pilothouse has a gourmet galley and a dinette large enough to seat family and friends together when underway and cruising. The comfortable salon has a large flat panel TV, Bose sound system, and built in seating with storage. This yacht gives the feeling of being at an exquisite home on the ocean.

When entering the vessel take note of the classic teak interior. It is built with a single, hand selected, highest quality Burmese teak tree ensuring that each grain is identically matched throughout the vessel! This vessel is built with satin finish teak which graces the interior and luscious teak and holly floors finished throughout the salon, galley and berth decks.

The master suite is amidships, the most stable spot on the yacht. The VIP has 2 overhead bunks perfect for grandchildren. There is also a single berth outboard of the stairway.

## Salon

Upon boarding, you walk through the double entry composite and glass doors to the salon that sound like bank vaults when closing. You will notice the beautiful panoramic views throughout the vessel. Enjoy the (2) elegantly tufted designed settees which are strategically placed, one on each side. Extra added storage compartments are located underneath both settees. When looking port side aft one can hang special wine glasses and stemware in the specially customized double shelf cabinet for exceptional beauty and functionality creating even more excellent storage features. Looking forward you can easily view the 42" Samsung LED TV. Port-side you can enjoy your beverage center refrigerator as well as an added wine cooler. The open passage to the galley provides a view all the way through the forward Pilothouse windows, giving you a great open feeling of space.

- SZ Beverage Center fridge
- SZ Wine Cooler
- Samsung LED TV 42"
- Samsung blue ray player
- Multi-zone Bose Lifestyle stereo system
- (2) Salon settees
- Custom teak coffee table
- Lift up (6) storage space under each settee
- Lift up liquor storage cabinet
- Custom wine glass and beverage storage cabinet
- Double entry glass panel doors
- Bose stereo and subwoofer
- Enclosed stairs to fly-bridge

## Galley

"Infrequent Voyage" boasts plenty of refrigeration and freezer space with the highest quality Subzero double drawers used for ample storage giving room for weeks worth of food while offshore cruising. Enjoy the spacious L shaped settee port side of the pilot house helm station for ample lounging and dining space while underway at sea or dockside while enjoying the marinas.

- Sub-Zero double fridge
- Sub-Zero combo fridge/freezer
- "Seviche" granite counter tops with fiddles
- 2 Burner Kenyon cook top
- Sharp convection microwave
- Fisher Paykel dishwasher
- Kitchen Aid disposal
- Franke stainless sink with custom wood cutting board

## Engine Room

Marlow yachts are famous for their spacious “stand up” engine rooms built for those who do not wish to crouch down, forced to move like a contortionist to gain access to vital systems in the central command station. Marlow builds approved tanks in fire retardant fiberglass, certified by the (ABYC) American Boat and Yacht Council for severe duty. The Cummins QSM-11 engines and Onan generator are easily accessible. This air conditioned engine room keeps the area clean, dry and corrosion free. There is a camera for monitoring this area from the helm. The 13.5KW Onan Generator is surrounded with its sound shield box in the engine room and is superb in providing very quiet operation.

- Cummins QSM-11 Twin 715HP
- Onan Marine Generator 13.5kw (1623 Hours)
- Chilled water air conditioning for entire vessel
- Chilled air condition installed for engine room
- Fireboy fire suppression system
- Large exhaust blowers
- Underwater exhausts
- Naiad stabilizers

## Hull and Exterior

Notice the superb finish of a Marlow Explorer on the INSIDE of the hull and deck. No raw fiberglass or thick putty paint to hide sloppy lamination. The Full Stack Infusion process Marlow invented, developed, and employed, produces a textbook fiber to resin ratio that can NEVER be approached by hand lamination. The protective Portuguese bridge with added bow seating and comfortably sized covered walk-around decks make this yacht a pleasure when handling various on deck cruising or docking tasks.

## Master Stateroom

This stateroom is much larger and nicer than one would expect from a 49' Motor yacht. There is room to walk around the bed on both sides and there is great hanging space, lots of storage drawers, and even a fold out Ironing board.

- Whirlpool washer
- Whirlpool dryer
- Samsung 32" LED TV
- Samsung blue ray player
- Bose Lifestyle stereo system
- Stainless opening port lights
- Sentry digital safe
- Ultra leather Jasper headboard
- Queen berth
- Cedar lined hanging closets

## VIP Stateroom

The VIP has a nice berth and has 2 overhead bunks designed for the original owner's young grand children allowing Mom and Dad and 2 small children to share this space.

- Samsung 26" LED TV
- Samsung blue ray player
- Queen berth sleeps (2)
- Overhead loft berths sleeps (2)
- Full length mirror on door
- Cedar lined and lighted closet
- Overhead hatch with screen
- Head with separate shower
- Vacuflush head
- Grohe faucet

## Extra Single Berth Bunk

When not in use, this space with the large port-light, makes the area where you descend to the lower deck feel very open and bright. When needed this single berth is long enough for a full height adult. On long passages this is a great bunk with quick access to the lower helm when taking turns standing watch.

- Custom single berth
- Berth storage locker
- Track privacy shade screen
- Oversized port-light

## Deck

The raised pilothouse, Portuguese bridge, wide side decks, and state of the art semi-displacement hull makes the Marlow Explorer one of the most comfortable, safest yachts in any sea condition. The side decks are fully protected by fiberglass bulwarks topped with teak cap rails that are waist high aft and higher forward. The stainless steel anchor is set up with all chain on the dual gypsy windlass. The bow rail is heavy oval stainless steel package. Both the pilothouse and the hard top semi covered fly-bridge offer great vantage points and visibility with socially inviting settings and for piloting the yacht. When piloting inside close quarters one can utilize the aft deck helm station, easily located starboard, conveniently located next to the sink and storage cabinet for easy access and handling.

- Semi-enclosed fly-bridge deck
- Composite hard top
- Portuguese bow seating
- Aft deck cockpit cabinet table
- Aft deck engine and thruster control station
- Aft cockpit settee
