## Overview

"BOREAL" is a magnificent collaboration between an owner's stylistic vision and the Marlow standard of excellence. Her Awl Grip painted Haze Grey hull and Snow White Revised super structure make an impression at any marina. The spacious Command Bridge with day head and teak table with custom compass rose inlay make long passages or entertaining comfortable for all aboard. Her oval stainless-steel handrails, covered side gunnels, and recessed cleats are a few of the factors in making BOREAL a seaworthy and safe vessel. When boarding BOREAL you can board from the extended hydraulic swim platform via custom stainless-steel doors or from the cockpit deck boarding doors. On her spacious aft deck, you will find a high gloss teak table and large settee. On the starboard side there is an electric grill and overhead flip-down television making this the perfect place to entertain family and guests and dine al fresco.

## Salon

Entering the salon, you are immediately struck by the beautiful interior. The high gloss teak and ebony floors and customized layout makes you feel right at home. The SMART TV is conveniently located in the aft Port corner with an upgraded built in Sonos bar. The large L shaped settee on the Starboard side and large straight settee on Port side make this the perfect spot for family movie night. The aft wall banquet has two teak storage cabinets on the side, two glass display cabinets, and an open section with stainless steel rails.

- Upgraded Cambria stone counter tops
- Upgraded High gloss teak and ebony floor
- Ultra Leather headliner
- Star board side Ultra Leather L shape settee with storage under

- Built in teak handrails
- U Line 24" built in Freezer
- Custom High end fabric wall covering with chair rail and teak lower half
- Wide landing area at the bottom of the stairs
- Large hatch for easy access to pumps, thruster, and abundant storage
- Large linen closet over freezer
- Upgraded square overhead lighting

## Master Stateroom

The full beam master stateroom has been meticulously laid out to maximize tranquility. The walk around king size berth has a custom headboard that is full wall and masterfully done. The nightstands have Cambria tops and designer sconces. On both Port and Starboard side there is ample built-in storage along with drawers under the bed exemplifying the Marlow Yachts philosophy of leaving no space unused. The large upgraded Stainless Steel opening portholes provide natural light and the ocean breeze while at anchor.

The spa like en-suite is just aft of the master state room and accessed from the Starboard side. The en-suite features an extra-large shower on the Port side with a Cambria bench seat. The Cambria Countertops, double sinks and full mirror make getting ready easy for the owners. The bright white gelcoat makes the space feel bright and airy.

- Upgraded High gloss Teak and Ebony floors
- Upgraded Cambria counter tops

- Upgraded Electrolux W/D
- Upgraded square overhead lighting
- Forward wall is ½ Ultra leather with chair rail and teak lower half
- Hidden gun raffle and handgun storage
- Marine radio

## Laundry Room and Pass through

BOREAL offers the now very popular pass through from the Master state room to the engine room, previously not an option for any Marlow Explorer larger than the 53E series. This owner received special permission to have this done on BOREAL after extensive engineering and modifications were made to the fuel tanks. This has become one of the most popular features selected on New Marlow Explorers in the 58 and 62 series. The pass through is finished with the same level of attention to detail as the rest of the vessel. It has been outfitted with high gloss teak and ebony floors, teak walls, Cambria counter tops over side-by-side full size Electrolux washer and dryer with steaming option on the Port side. On the Starboard side there is additional drawer storage and hanging space.

- Upgraded Custom designed Pass through to Engine room
- Upgraded High gloss teak and ebony floors
- Upgraded Electrolux W/D
- Cambria laundry folding countertop
- Custom built in drawers on Starboard side with Cambria countertop
- Addition hanging rod on Starboard side over built in drawers
- Additional cabinet storage over W/D
- Upgraded square overhead lighting
- Watertight doors forward and aft of the engine room

## VIP Stateroom

This exceptionally large VIP stateroom is crafted for generous guest accommodations and is positioned forward in the adjacent hallway area. This space is complete with a center-line walk around berth with custom mattress, additional bunks on Port and Starboard side, and en-suite head with stall shower. Ample headroom adds to the feel of plentiful space for guests with separate air conditioning controls and entertainment controls. This voluminous stateroom with adjacent head is made light and airy by high overheads with large hatches providing ample natural light. The large cedar-lined hanging lockers, extensive drawers, and smaller lockers are all finished in gorgeous teak.

- Upgraded High gloss Teak and Ebony floors
- Upgraded Cambria counter tops
- Samsung Smart TV
- Two cedar lined lockers
- Large en-suite head
- Pull out drawer storage under berth
- Designer sconces
- Nightstand with Cambria counter tops
- Designer reading light over berth
- Large overhead hatches with screens
- Upgraded Makeup mirror in
- Upgraded square overhead lighting
- Ultra leather hull sides
- Custom made mattresses

## Port Guest

This stateroom features over under bunks and a Cambria topped nightstand. There is a large cedar lined hanging locker forward of the bunks. The port side stateroom offers its guests their own head with Cambria counter tops, sink, Dometic toilet and wet head option.

- Upgraded High gloss Teak and Ebony floors
- Upgraded Cambria counter tops
- Over/under stacked bunks
- Custom mattress on lower bunk
- Nightstand with Cambria counter tops
- Designer reading light
- Private head with shower option
- White Gel-coat in Head
- Samsung Smart TV
- Cedar lined hanging locker
- Designer sconces
- Upgraded square overhead lighting
- Nightstand with Cambria counter tops
- Upgraded Stainless steel opening portholes

## Command Bridge

The Command Bridge on BOREAL is both functional and exquisitely appointed. The helm has four (4) 24 inch Garmin screens that display all engine and navigational information you need. A pair of custom Ultra leather STIDD helm chairs with Stainless Steel pedestal make long cruising comfortable. The diamond pattern stitching on the helm chairs makes them a conversation piece. The captains STIDD helm chair armrest has UPGRADED built in Garmin controls for ease of use. The dash has been precisely laid out with all of the whizzbangs a captain could wish for. Additional two (2) wing stations on both Port and Starboard side make docking maneuvering a piece of cake.

Aft there is a comfortable settee with a high gloss teak table that has a custom compass rose inlay. This area is the perfect place to have a meal while cruising or at anchor. The large aft opening window overhead hatches and three (3) screened doors can be opened to enjoy the sounds of serenity. A 24" beverage center with Cambria top is on the port side just forward of the day head. On the exterior of the command bridge there is a high gloss teak table under the UPGRADED extended hard top.

- Upgraded High gloss Teak and Ebony floors
- Upgraded Screened doors
- Upgraded Large Aft Opening window
- Custom Electric blind on center forward window
- Custom manual blinds on all other windows
- Opening overhead hatches with screens
- Upgraded Day Head
