## Description

The stunning Marlow Explorer 49E-CB "Continental Drift" offers a unique opportunity to join the alluring and adventurous yachting lifestyle with family and friends! Whether harbor hopping in New England or sunset cruising along Florida's Gulf Shores, the Marlow Explorer serves as the perfect solution for exotic ocean-going adventures! Cruise the breathtaking Caribbean Islands, or a "9-month getaway" touring around the Great Loop, a favorite cruising excursion of many a Marlow owner!

This vessel is an easy owner operator yacht with an abundance of user-friendly systems. Her semi-displacement hull with twin strut keels allows you to operate efficiently at 8 knots achieving roughly 1 nautical mile per gallon, or cruising at 15 knots when you want to cover greater day distances. When you own a Marlow Explorer, you own what yachtsmen around the world recognize as the finest piece of marine real estate on the market today.

Highlights include

- Upgraded Twin Cummins QSC 600hp engines
- Yacht Controller
- Bow Thruster
- Stern Thruster
- Naiad Fin Stabilizing System
- Chilled water air conditioning
- Twin Generators
- Close circuit cameras
- Teak & Holly satin gloss floors
- Upgraded Lighting throughout the vessel
- State of the art sound system
- 2 stateroom layout with Queen size master berth
- Custom fabrics throughout the boat
- Custom blinds

## Broker Introduction

You are invited for a private tour of "Continental Drift" a customized Marlow 49E Command Bridge fully enclosed with a day head, 2 spacious staterooms, and 2 private heads. She includes twin generators, stabilizers, upgraded Cummings QSC 600hp engines, water maker, 15hp proportional thrusters, and a custom galley and large dining area making her perfect for extended cruising. Come experience the yacht that is sought after by many and owned by only a few.

## Accommodations

"Continental Drift" is a very unique customized Marlow Explorer's 49E-CB! Her expansive 360 degree views and large salon windows allows for comfort as you cruise to your favorite ports of call. When overnight cruising, the cabins will accommodate sleeping a total of 4 guests. The master suite has a spacious Queen berth port side and luxurious private master head . The VIP forward berth accommodates 2, and also has a large private head that can be accessed from the cabin-way or stateroom. She also has a pilothouse with gourmet galley and dinette large enough to seat a large gathering. Relax in the comfortable salon with large built in settee, a flat panel TV and barrel chairs with an ottoman. This vessel is constructed with the highest quality of hand selected teak.

## Pilothouse

The protected Pilothouse area is built as a lower helm in Open bridge boats, but this is unnecessary with the fully protected upper Command Bridge. This pilothouse area has been built as a large seating area. It has a expansive U shaped settee and large high gloss teak table. This is a beautiful place to sit as it is surrounded by large windows and is elevated to give you clear sight lines forward over the bow.

## Salon

Upon boarding "Continental Drift" you will notice the breathtaking panoramic views throughout. Enjoy the twin barrel chairs to Port and beautiful built in settee with tufted upholstery fabric to starboard, providing a generous entertaining space. Additional storage compartments are located underneath the settee.

- 15" wine cooler forward on the port side
- Samsung LED TV
- Built in salon settee
- (2) Barrel chairs
- Large storage cabinet Aft Stbd
- Lift up storage space under settee
- Double entry glass panel doors
- Custom teak high gloss coffee table
- Port side stemware hanging area
- Custom tray ceiling detail done in solid teak
- Upgraded Salon Speakers, 5 channel surround sound
- Room and Board custom chairs
- Custom coffee table made by Marlow - by M.Y. design
- Silhouette Shades

## Galley

The galley is centrally located on the main deck at the aft end of the pilothouse forward of the salon. A U shaped table and settee are perfect for dining and lounging while docked or underway. The galley also has generous cabinet space with beautiful teak doors. To port is a large storage cabinet with a TV that is on a removable stand. The galley pilothouse also has exterior doors to port and stbd for easy access to the side decks that also provides great ventilation when you want to open up.

- Satin Teak and Holly flooring
- Sub-Zero refrigerator & freezers with storage
- Dacor 4 Burner electric cooktop with stainless sea rails for cooking underway
- Dacor wall oven
- LG convection microwave
- 2 chamber Franke stainless sink with custom wood cutting boards/sink covers
- Grohe faucet
- Galley vent and light over cook top with lights
- Storage cabinets and drawers
- Beautiful Quartz countertops
- Couch is Crypton Fabric
- Perennial Fabric in the galley, bridge and outdoors

## Master Stateroom

You will not find a nicer Master Stateroom on any yacht under 70' including a Queen bed Athwart ship with nightstands on both sides and reading lights. The head runs full length of the master stateroom on the Starboard side providing a large shower, ample counter space, twin stainless sinks, and an oversize opening port light providing aesthetic natural lighting. The location of this Master Stateroom is as important as the accommodations within. The Master is located centerline, not in the Bow as commonly found in Yachts below 60', equaling less noise and motion in the center of the vessel. There is a large storage cabinet forward and a full height cedar lined hanging locker Aft. The Aft end of the master leads you to the laundry area where there is a separate whirlpool washer and dryer and a subzero refrigerator/freezer unit that is perfect for extended cruising. The lower deck has high gloss teak and ebony floors.

- Whirlpool Washer/Dryer
- Samsung LED TV
- Stereo System with upgraded speakers - controlled by IPAD mini
- Stainless opening port lights
- Twin reading lamps
- Queen Berth
- Cedar lined hanging closets
- Teak cabinet with cedar lined shelves
- (3) Storage Drawers under Berth
- Pull down full size shaving mirror
- Walk-In Shower
- Techma Head
- Black Galaxy granite countertop in head
- Stainless Steel master sinks
- All grain leather master headboard
- Custom Roman shades in master and bath

## VIP Stateroom

The VIP is perfect for any yachting couple and includes storage in the drawers under the bunk and in the 2 hanging lockers port and starboard and additional storage cabinets and shelving above the berth. The stateroom has a Samsung LED TV. There is a large opening hatch with a screen or shade in the center over the berth. The spacious VIP Head is to Port and can be accessed directly from the stateroom. The shower is very spacious and the head gets lots of natural light from the oversize port light.

- Cream of Marfil counters in head
- Custom copper "fish sink"
- Silver lever faucet
- Storage cabinets
- Techma Head
- Copper Matissee Sink in VIP
- Custom roman shades

## Engine Room

The engine room has full standup headroom. The bilges are awlgripped bright white. There is good access to all sides of the engines. Everything is perfectly finished from the white bilges to polished stainless piping. The Cummins QSC 600hp engines and Onan generators are easily accessible. The stabilizer system and Air Conditioning Chillers are easily accessible. There are two cameras for monitoring this area from the helm. The port and starboard 13.5KW Generators are surrounded with a factory sound shield box in the engine room and is superb in providing very quiet operation.

- Cummins QSC600 600hp
- Twin Onan Marine Generators 13.5KW
- Chilled Water Air conditioning for entire vessel
- Fireboy fire suppression system
- Large 24 volt intake and exhaust blowers
- Fresh water washdown in engine room
- Twin Sea Chest for incoming raw water systems
- Underwater exhaust
- Stainless steel water heater
- Blue Water Express XT watermaker
- Naiad stabilizers
- Oil Change system
- Duel Raycore filters for each engine and generator
- (2) 500 Gallon fuel tanks with digital gauges and glass site tubes

## Hull and Exterior

Notice the superb finish of a Marlow Explorer on the INSIDE of the hull below deck. This makes it easy to have spotless bilges, eliminating stagnate, smelly, trapped water. The Full Stack Infusion process Marlow invented, developed, and employed produces a textbook fiber to resin ratio that can NEVER be approached by hand lamination. The protective Portuguese bridge with abundant storage and comfortably sized covered walk-around decks make this yacht a pleasure when handling various on deck cruising or docking tasks. The yacht is built using 3 major molds, eliminating many secondary bonding operations creating a stronger and lighter structure that will stand the test of time.

The hull is Awlgripp'd Oyster White. The foredeck and upper Portuguese bridge cap rails have been painted. The cockpit and lower caprails are beautiful varnished teak, just enough teak to remind you this is a distinguished yacht. The Aft hand rails are large diameter oval stainless steel. The cockpit sole is natural teak and the foredeck and upper decks are non skid fiberglass for ease of maintenance. The cockpit features a large settee Aft with a high gloss teak table. There is a complete canvass package that includes window covers up and down, and sun shade for the cockpit.

The raised pilothouse, Portuguese bridge, wide side decks, and state of the art semi-displacement hull makes the Marlow Explorer one of the most comfortable and safest yachts in any sea condition. The side decks are fully protected by fiberglass bulwarks topped with teak cap rails that are waist high aft and higher forward. The stainless steel anchor is set up with all chain on the dual gypsy windlass. The bow rail is heavy oval stainless steel. Both the pilothouse and the flybridge offer great vantage points and visibility with socially inviting settings and for piloting the yacht.

- Enclosed Command Bridge with Day Head
- Carbon fiber dash with black ultra-leather surfaces for low glare
- Portuguese bridge storage lockers
- Fresh Water Wash Down Bow and Stern
- Transom Door for easy Engine Room Access
- Freedom Lift for Dingy
- Fuel fill Port and Stbd
- Black water dock pump out (Port and Stbd)
- Aft Cockpit Station (in aft cabinet)
- Deck Section - Freedom Lift w/ underwater lights & wireless remote control
- Sure Shade on Aft deck of command bridge

## Electrical

The yacht has a 50 cord on a cable master (automatic reel) at the stern and at the bow. Much of the time you can run the boat on a single 50A cord. There are 2 outlets for a separate cord as well (one in bow and one on stern). If you are running many systems and lots of air-conditioning you will want 2 cords out

- 50A Cablemasters bow and stern
- 50A Receptor Bow and Stern
- AGM Batteries
- Outback 3,500 Watt inverter / charger (runs refrigeration and all outlets)
- Power selector switches (run using 1 or 2 50A cords)
- Twin Onan Generators
- Bow & Stern Thrusters Sidepower 15hp with proportional control and hold function
- 24 Volt battery charger

## Command Bridge / Outside Seating

The Command Bridge is an excellent place to run the boat in any weather. The beautiful black Stidd helm chairs will hold you securely on the roughest of days. The twin VHF radios and yachts intercom phone are within easy reach. The Command Bridge is accessible by stairs from inside the pilothouse and outside from the aft cockpit. There is Day Head on the port side aft and generous L settee and table to Starboard.

The helm area has been done in all Black surfaces. The main navigation screen surface is all high gloss carbon fiber that accents the black ultraleather Stidd helm chairs and their polished stainless bases.

Aft of the Command Bridge the customer chose to build living space instead of having a dinghy and davit. There is a nice comfortable L settee with a large table just aft of the Command Bridge Aft wall that is under the overhang of the Command bridge.

- Twin helm chairs
- L Settee and table inside
- Dedicated AC heat control
- Day Head with Sink
- Wolf Electric Grill
- L Settee and table outside
- Stairs from the cockpit
- Freedom Lift w/ underwater lights & wireless remote controls
- Sure Shade on the Aft deck of command bridge
- Exterior Perennial fabric
