

REWARDS OF MEMBERSHIP

What started many years ago as the Southern Grand Banks Owners Association, SGBOA, has now grown into the Marlow Marine Cruising Club, encompassing owners who are cruising aboard the many fine yachts with which Marlow Marine Sales, Inc., has been associated with throughout our history.

Our membership includes boat owners and would-be owners from all over the world who share a unique camaraderie and mutual love-affair with their yachts.

With Active Membership, you will not only receive our bi-annual Club Magazine, "The Association News", but also a myriad of benefits and discounts at various Marinas, Resorts and places of business. Our prime focus is not just securing a dockage discount at your favorite marina, but finding the newest and most unique properties you may enjoy visiting throughout the Eastern Seaboard and Caribbean and arranging a distinct program for the Club members.

With Active Membership, you will also be invited to exclusive Marlow Marine events, and enjoy discounts to them, including our greatly anticipated Annual Spring Rendezvous.

Our current members participate in and savor the cruising lifestyle. We do too! We love this lifestyle...it isn't just a business for us. We hope you will join us at our Rendezvous events and other parties and get-togethers. The cost of Active Membership is returned to you by taking advantage of just one event.

Please complete and return the enclosed Application to join or upgrade your current membership. You will receive a beautiful, double sewn Club Burgee and personal identification card. You can view a list of some of the current benefits by cruising to our website: www.marlowmarine.com.
