### **Marlow Explorer 62E**

**Snead Island, Florida – January 4, 2024 (Marlow Yachts Limited, Inc.)**

Hull #31 of our extremely popular Marlow Explorer 62E series will be showcased at the Miami International Boat Show in February 2024.

This newest addition to the Marlow fleet features a beautiful Flag Blue hull with a Semi Enclosed Bridge. She is a stunning example of high-quality Marlow construction and finishes second to none in her class. She is a well-appointed 3-stateroom yacht with numerous seating areas throughout the vessel.

When entering the salon, the 19.6-foot beam is apparent as this room boasts pure comfort. Complemented with the high gloss teak and holly flooring, she is very inviting from your first step on board.

Just steps forward to the pilothouse, you are welcomed to a fully equipped spacious galley with L shaped seating area and an additional helm station, so the owner and guests will never miss out on the fun while meals are being prepared.

The lower level boasts a full beam master stateroom with a king-size bed, a walk-in closet to port, and a head to starboard. Further forward are two more spacious staterooms, featuring a queen berth in the VIP stateroom, and twin bunks in the starboard stateroom.

The Fly Bridge area offers a stunning panoramic view at rest or underway. Comfort at the helm of the fine yacht is guaranteed with her twin Stidd helm chairs, a full suite of Garmin electronics, dual VHF radios, and A/C for warm days. The Captain is sure to have company with the spacious seating aft of the helm. Steps away out the back door to a complete entertainment area outfitted with a BBQ grill, freshwater sink, and a Subzero refrigerator.

## **Marlow Explorer 62E**

**Snead Island, Florida – January 4, 2024 (Marlow Yachts Limited, Inc.)**

The full height engine room provides plenty of space to walk around and service the CAT C-18 1150 HP power plant that will take the vessel to a comfortable cruising speed of 22 knots with a top speed of over 25 knots. Not in a hurry? Pull the throttle back to 8 knots and cruise for over 2000 miles before refueling.

Aft of the engine room is yet another spacious area, The Beach Club, for additional entertaining or an area where any crew member would feel right at home. Fully air conditioned, outfitted with a refrigerator, microwave, wet head, and an abundance of storage.

*We welcome you to visit the world of Marlow Yachts and look forward to your visit at our display at the Miami International Boat Show, One Herald Plaza, Slips D1-D2-D11-D12.*
