## **FOR IMMEDIATE RELEASE**

### **Marlow Explorer 90V**

**Snead Island, Florida – January 4, 2024 (Marlow Yachts Limited, Inc.)**

A new class of world-capable yachts has emerged from the state-of-the-art yacht design and building facilities of Marlow Yachts as we celebrate our 23rd year of building the best.

Experience the ultimate in luxury and performance with the newest model in the Marlow fleet - the Marlow Voyager 90V. This exquisite yacht exhibits a seamless blend of sleek design and state-of-the-art technology, offering an unparalleled experience at sea. With its spacious and elegantly appointed interiors, the Marlow Voyager 90V provides the perfect setting for creating unforgettable memories with your family and friends.

The yacht boasts a day head on the aft deck, providing convenient access for guests. Additionally, the design of the yacht makes it easy to access the water, including a swim platform with steps leading to the water for a refreshing swim or any other water activities. The salon, which serves as the main living area of the yacht, is very spacious and well-appointed, allowing plenty of interior volume for comfortable gatherings and relaxation.

This sumptuous new model features 5-staterooms and separate accommodations for 2-5 crew members. She has a unique layout to provide on-deck living for the owners, including an ensuite master stateroom forward – just steps away from the galley. On the lower level, there is another full-beam master stateroom mid-ship, two guest staterooms featuring stacked and side-by-side berths, as well as a spacious king-sized bed in the VIP stateroom forward.

Hull #1 of the Marlow Voyager 90V features a custom-enclosed command bridge along with a Skybridge above the Command Bridge, complete with a helm chair and sun pad. Within the functional and luxurious Command Bridge, the Captain will enjoy the privacy of a lovely stateroom complete with a private head and shower ensuite while guests in this incredible Command Center have a separate and spacious head as well as a full refreshment center and luxurious seating.

This vessel offers a unique and impressive feature on the upper deck - the ability to launch a tender from either side of the boat. Additionally, the deck outside of the command bridge has plenty of exterior tender and jet ski storage space, making it easy to bring along the toys you desire on your journey. The upper deck also includes a grilling station and a spacious entertainment area that will undoubtedly impress guests and elevate any gathering.

Engine and machinery spaces are very large and expansive; with the ability to walk unimpeded fully around all separated machinery and electrical rooms with engine space head room nearly 80” high overall. Multiple access

points to crew quarters and lounge, beach club, and engine room allow for easy entry from midship to aft on the lower level.

When the passion of adventure runs through your soul and 6-7 knots long distance speed is unacceptable, this vessel is a welcoming respite. At 97 feet LOA, with a 95' centerline and a beam of 22+ feet, combined with a reasonable draft when coastal cruising is desired, she is a world-class heavy-duty yacht of unequaled beauty at sea or dockside. At mooring or on scene, the Marlow Voyager's elegance will dominate the vista.

Equipped with powerful engines and advanced navigation systems, she can run at top speeds in excess of 30 knots with her upgraded engines option.

Whether you're exploring exotic destinations or hosting lavish parties, the Marlow Voyager 90V is the perfect choice for those who demand nothing but the best. As you cruise through the open waters, you will be amazed by her sea keeping ability, coupled with her powerful engines and advanced navigation systems that provide exceptional comfort and effortless maneuverability. Embark on a journey of a lifetime with the new Marlow Voyager 90V!
