€2,853,938 Euros \$4,587,851 CAD

Description

The 2011 Marlow 97 Explorer "AGAVE" is well known for its exceptional fast passage capabilities as well as its long range capabilities, getting 4,000 nautical miles at 9 knots. "AGAVE" had an extensive remodeling of the galley, turning it into a well desired country kitchen with all new top of the line appliances. Another strong feature of this yacht is the on deck master stateroom which has great open visibility. Other features include: Low hours, Hydraulic swim platform, garage, upgraded navigation equipment including 3 new 24" Garmin Screens, new satellite, dual radar, (2) radios and video monitor. "AGAVE" also features seven staterooms and eight heads (including an Aft Deck day head and head in the Sky Bridge) and much more. "AGAVE" is the perfect family yacht for comfort and relaxation. Located and easy to see in beautiful St. Petersburg, Florida, schedule your appointment today!
