Description

M/Y HYJAC IS HELD IN A SINGLE ASSET LLC - PARTIAL REFIT

M/Y Hyjac is an exceptional example of the high quality, open layout and performance capabilities of Marlow Yachts. While Hyjac was built in 2003, over the last 5 years, she has undergone a series of upgrades/refit work that include, most notably, a custom bow-to-stern blocking keel. This upgrade was designed by world renowned Impact Naval Architects (Tim Nolan) and work performed by Nordlund Boat Company. This addition of the custom keel not only adds value over all the other Marlow's, but it gives the Captain the knowledge that this long range vessel can withstand any element of boating that is thrown at her, including following seas and any yard blocking situation. Her overall performance numbers did not change but, the strength and handling changed dramatically making this Marlow the best one on the market.

In addition to the custom keel, there is a custom lounge deck on the flybridge that is fantastic for hosting friends and family. This area was created to "yacht standards" and includes custom seating, a custom bar with top of the line appliances as well as a propane fire pit. This lounge deck is completed with a bar and seating area and were designed to be removed if the new owner desires to have the tender back on the flybridge. The current owner towed his larger tender.

Another key attribute that sets this Marlow apart from the others is the generous 20' 2" beam, which is most noticeable in the engine room for allowing full access to the outboard side of the engines. This wide beam also provides additional space in other important areas of the vessel including the covered side decks, salon, flybridge, master stateroom, and aft deck. This open arrangement gives you complete unparalleled 360 degree views of your surroundings whether you are anchored or underway. She is also equipped with a large fourth stateroom, or crew quarters, that adds more opportunity than other yachts in this size range. Overall, the size is comparable to an 80' yacht but packaged in 72 feet. Some of the key highlights are:

- Upgraded 3412 CAT Engine - 1400hp ea
- Twin 25 kw Northern Lights Generators
- Over 20' Beam
- Custom Keel Installed by Nordlund Boat Company
- Custom Lounge Deck on Flybridge
- New Teak Decks
- Upgraded Garmin Electronics
- New HVAC
- New Appliances
- Upgraded Canvas on Flybridge
- New Electronic Controls
- New Victron Inverter
- Recent Survey
- And Much Much More.....

This is a deal as she was just surveyed, bottom painted and had a keel installed. Get ready for the summer on this 72' Marlow!

M/Y Hyjac is ready for her next adventure, whether it be local, offshore or for charter. She is held in a SINGLE ASSET WASHINGTON STATE SALES TAX PAID LLC. There is a recent survey and maintenance records available.

Don't let this opportunity slip away. Call or email the LISTING BROKER to find out more information or to schedule a viewing.

ACCOMMODATIONS

SALON:

The accommodations start with an open concept from the Salon to the Pilothouse with no bulkheads to block your view from stem to stern. This truly gives the boat a very open feel with ample natural light. Her wide beam allows for a significantly larger salon with room for the entire family and even features a large flat screen TV that pops up from the entertainment center.

- Large Open Concept
- Double Door Entry
- L-Shape Leather Couch with Seating for 7
- Rear Leather Couch with Seating for 2
- Both Couches have Storage Beneath
- Port Side Barrel Chairs with Seating of 2
- Teak and Holly Floors
- Teak High/Low Salon Table with Storage
- Built-in Teak Corner Cabinet
- Wood Vertical Blinds
- Pop up Samsung Flatscreen TV to Port
- Bose Surround Sound Entertainment
- Teak Ceiling Hand Rail
- Brass Reading Lights
- Ceiling Lights
- Rope Lighting Above Valances
- Reverse Cycle Heat and Air Conditioning

DINING ROOM:

Moving forward, there is a full dining room area that accommodates up to 8 guests. With built-in storage for all your plates, glasses, and specialty dinnerware. To Port, there is a buffet bar that is fully equipped with a sink, beverage fridge/wine cooler, frost-free freezer, an ice maker, and a custom glass storage drawer.

- Custom 8 Person Dining Room Table
- 6 Teak and Leather Chairs
- Wine and Liquor Bottle Storage Below Table
- Teak and Holly Floor
- Built-in Storage for Dinnerware Storage
- Burlwood Lighting Fixture Over Dining Table
- Buffet Bar:
- ULINE Beverage/Wine Fridge (New 2018)
- Summit Frost Free Freezer (New 2023)
- ULINE Ice Maker (New 2018)
- Stainless Steel Sink

PILOTHOUSE:

- Port and Starboard Side Doors
- Interior Stairway to Flybridge
- Custom Glass Storage Cabinet
- 12V, 24V, 120V and 240V Breaker Panels
- Weems and Plath Brass Compass and Clock
- Large U-Shape Leather Couch
- Teak Adjustable Table
- Stidd Leather Helm Chair
- 2 Opening Overhead Hatches with Screens
- Windshield Wipers
- Horn
- Trim Tabs
- Tank Tender Fuel/Fresh Water/Black Water Monitoring System
- Ships Lighting Monitoring System
- Vertical Wood Blinds
- Teak and Holly Floor

FLYBRIDGE - UNDER HARDTOP:

- Dual Leather STIDD Helm Chairs - Adjustable (Reconditioned 2020)
- Stainless Steel Ships Wheel
- Large Spacious Lounge/Sun Pad Forward of Helm Station (New 2021)
- 3-Way Polycarbonate Enclosure (New 2022)
- Windlass Controls
- 120V Outlets
- Hardtop with Lights
- Electric Heaters Installed Under Hardtop
- Samsung TV
- Sonace Outdoor Speakers
- Dual L-Shape Seating
- Dual Teak Tables with Teak Table Expansion for Seating of Approximately 15 People (New 2020)

FLYBRIDGE - OUTDOOR LOUNGE DECK:

- Custom Outdoor Lounge Deck (New 2021)
- L-Shape Settee with Teak Table (New 2021)
- Large Custom U-Shape Seating (New 2021)
- Fire Pit - Propane (New 2021)
- Custom L-Shape Bar with Quartz Counter Top and Teak Bar Top (New 2021)
- Built in Perlick Ice Maker (New 2021)
- Built in Perlick Beverage/Wine Fridge (New 2021)
- Built in Blaze Commercial BBQ (New 2021)

- Additional Cabinet with Quartz Countertop, Storage and Sink (New 2021)
- Aft Canvas Apron (New 2021)
- Canvas Covers for all Seating (New 2021)
- Fresh Water Spigot
- Deck Courtesy Lighting
- Additional Lighting via LED Spotlights

AFT DECK:

- Control Station for Docking
- Teak Decks (New 2021)
- Aft Deck Control Station
- Dual Opening Doors to Salon
- Overhead Lighting
- Custom Sun Shade Extension
- L-Shape Seating with Storage
- Teak Table
- Teak Stairs to Flybridge
- Hammock Chair
- Starboard Boarding Gate off of Swim Platform
- Port Boarding Gate with Passerelle (Inoperable)
- Port and Starboard Deck Storage with Drains
- Deck Hatch and Storage for Dive Tanks
- Fresh Water Shower with Hot and Cold Water
- 100 Amp Shorepower on Glendinning
- 50 Amp Shorepower on Glendinning
- Reboarding Ladder

CREW QUARTERS:

- Private Access from Starboard Aft Side
- Dual Single Bunks
- Toshiba Flatscreen TV
- Reverse Cycle Heat and Air Conditioning
- Dual Hanging Lockers
- Drawer Storage
- Overhead Lighting
- Teak and Holly Floors
- Wet Head
- Vacuum Flush Toilet
- Quartz Countertop
- Porcelain Sink
- Medicine Cabinet with Mirror

- Undercounter Storage
- Opening Porthole
- Head Fan
- Teak Shower Grate

MASTER STATEROOM:

The master stateroom is a full-beam stateroom with his and hers separate heads. The shower separates the two heads and is aft of the stateroom. The bed is an island King Berth with drawers beneath for additional storage. This stateroom is large, comfortable, and has all the storage needed for long-range cruising.

- Large King Size Bed
- Drawer Storage Under Bed
- Nightstand on Both Sides of Bed with Drawers
- Dual Reading Lights
- Small Desk with Leather Top, Drawer and Chair
- Make-Up Counter with Illuminated Mirror, Storage and Chair
- Dual Cedar Lined Closets
- Storage Lockers on the Outboard Side both Port and Starboard
- Lit Glass Doors with Storage on Port Side
- Settee to Port with Drawer Storage Beneath
- 6 - Opening Port Holes with Drapes
- Overhead Lighting
- Courtesy Lighting
- Samsung TV
- Pioneer DVD Player and AM/FM Radio
- Overhead Speakers

MASTER HEAD:

- His and Hers Separate Heads
- VacuFlush Toilets
- Marble Counter Tops
- Porcelain Sink Bowls
- Head Fan
- Towel Racks
- Teak and Holly Floor
- Dual Cedar Lined Closets
- Walk Through Shower from both His and Her Heads
- Teak Grate in Shower
- Mirrors
- Tank Monitoring for Black Water
- Overhead Lighting

VIP STATEROOM:

The VIP accommodations are situated forward in the bow area. The queen-sized island berth features storage beneath and is complemented by dual cedar-lined closets. There is a full head with a separate shower stall with access from the VIP stateroom and the companionway to allow use as a day head.

- Queen Size Bed
- 6 Drawers Under Bed for Storage
- Overhead Storage on Port and Starboard
- Dual Opening Overhead Hatches
- Toshiba Flatscreen TV
- Sony DVD Player and AM/FM Radio
- Overhead Speakers
- Dual Cedar Lined Closets
- Dual Reading Lights
- Overhead Lighting
- Heat and Air Conditioning Controls
- Chain Locker Access
- Teak and Holly Floors

VIP HEAD:

- VacuFlush Toilet
- Dual Door Entry from Hallway and VIP Stateroom
- Quartz Countertop
- Porcelain Sink Bowl
- Storage Below Sink
- Storage Above Sink
- Opening Porthole with Shade
- Walk-In Standup Shower
- Head Fan
- Teak Shower Grate
- Towel Bars
- Overhead Lighting
- Teak and Holly Floor

GUEST STATEROOM:

 INEA Job No. 2420 M/Y Atyac
 Matthew Fowler, Project Manager
 Norford Boat Company
 1626 Marine View Drive
 Tacoma, WA 98422

Subject: M/V Nylor (O.N. 1138802) – Docking Keel
References: 1) Internal Hull Reinforcement, INA dwg. no. 2420-100-02, Rev. B, 1/31/2025.
2) Docking Keel, INA dwg. no. 2420-100-03, Rev. B, 2/4/2025.
3) Docking Plan, INA dwg. no. 2420-995-01, Rev. C, 3/20/2025.

254011

This memorandum confirms that the addition of structural reinforcements and a docking keel were performed by and at Nordlund Boat Company in accordance with any instructions and as described in References 1 & 2 listed above.

I attended the vessel at Nordlund on February 26th following completion of work. Based on my visual inspection, I confirm that the work was performed to my satisfaction and in accordance with my plans and specifications.

Additionally, we have prepared a Docking Plan (Reference 3 listed above) which describes recommended arrangements for supporting the vessel on the land. The Docking Plan includes a standard support arrangement on Sheet 1 and a slightly modified configuration on Sheet 2, which applies when Nordlund's IMA MBT 70 trailer is used.

Copies of the Docking Plan should be provided to the vessel Owner & Operator for their records and for application to future haul-outs. Please let me know if you have any questions or if we may be of further assistance.

Kind regards,

Nathan E. Fredericksen, P.E.
