Description

"Griffin" is arguably the nicest 72 Marlow Explorer on the market. Her owner's dedication and attention to detail has touched every inch of this boat, and it shows. Over \$1 million spent in improvements over the last 5 years; please see full listing under the "Other details" below. Beyond her spacious four staterooms, three heads (also crew quarters and head), she's been constantly updated over **the last seven years. This boat is so functional she has** allowed a cruising couple to easily, and very comfortably, operate her from the Chesapeake Bay, to Florida and the Bahamas. She is consistently used and is currently cruising South Florida and the Bahamas, Winter 2025.

COMMAND BRIDGE AND FLYBRIDGE AFT

The Command Bridge of the 72E-CB is an impressive spot to both run the boat, in any condition, with 360 degree views and a serious electronics package for cruising. Not only will you be able to operate the boat in complete comfort, but have another living and entertaining area, with two L shaped seats and teak tables, refrigerator and entertainment.

- (2) Stidd helm chairs (captain seat has built in Garmin remote)
- Teak helm and updated flat black (non glare) leather laminate covering
- Garmin (2) 8622, (1) 8616 and (1) 8610, displays
- Garmin XHD radar (2) (great for having two set at different ranges)
- Garmin GSD 24 network sounder
- Garmin GXM53 Weather
- Garmin GMI20 Instrument screens (3) (depth, wind, course info)
- Garmin AIS 800
- Simrad Rudder Indicator
- Simrad AP25 Autopilot (with wireless remote)
- Icom M605 (with DSC) and M504 (plus hailer) VHF's
- Garmin closed circuit camera system (loop shows multiple engine room cams, aft cockpit, etc)
- Fusion RA70i Stereo system
- XM radio and Weather
- FLIR thermal camera and forward video
- ACR Remote spotlight
- Morse electronic controls
- Sidepower Zero Speed stabilizer panel
- Side Power bow and stern thruster controls
- Yacht Controller (also has windlass controls)
- CAT engine displays
- Xantrex Inverter control panel
- Tank Tender management panel
- (3) windshield wiper controls
- Starlink
- Refrigerator
- U-line Icemaker
- Port and starboard wing doors
- Aft sliding door to upper aft deck
- Electric grill aft deck
- Sun shade with carbon fiber poles
- Airtex 1600lb davit
- Tender: 2025 ZAR 3 (13') RIB with 60hp Suzuki

SALON

A spacious salon with free standing furniture (you can easily swap out what you like) with custom teak blinds, large windows, entertainment center and bar.

- Overhead grab rails
- Wet bar with hidden sink
- Sub zero wine cooler
- Scotsman ice maker
- Liquor cabinet with accent lighting
- Teak and Holly sole with custom bound carpet
- 24 volt lighting
- Motorized sectional settee (has 3 recliners)
- Glass coffee table
- Custom Live Edge Walnut hi top table with bar stools.
- 51" OLED TV (inside cabinet with lift)
- Fusion stereo

GALLEY

The large galley is centrally located, makes for a great spot to entertain. Plenty of refrigeration and freezers (along with additional refrigeration on the command bridge and crew quarters/utility-work room) you can easily provision for multiple months of food.

- Teak and Holly sole
- Sub Zero refrigerator drawers (4)
- Sub Zero freezer drawers (2)
- Louvered storage cabinets
- Fisher & Paykel Dishwasher
- Custom Quartz countertops
- Dacor electric cooktop
- Double Franke stainless sink
- Grohe faucet
- Sharp Microwave
- Filtered drinking faucet (whole boat also has RO filtration and (2) UV systems)
- Custom Bolan flooring covers
- Leather laminate (non glare) covering under forward windows

ELEVATED DINING

The forward portion of the main deck, up three steps from the salon, is the large, open and airy, pilothouse. Brightly lit from her glass windows forward, or overhead lighting, has a large dinette to port, the galley aft, and small helm forward to the starboard side.

- Dining table with built in seating
- Teak and Holly sole
- 24 volt lighting
- Chart locker
- Teak valences with courtesy lighting
- Stairs to the Command Bridge
- Lighted stairway to fore cabins
- Lower helm with swing seat, electronics and controls
- Custom Bolan flooring covers

MASTER STATEROOM

The full beam owner's suite is located amidships, with the king sized berth centerline. Built in, teak night stands, flank the berth, with reading lamps and beveled glass mirrors. The en-suite head is aft of the stateroom, with access on the starboard side, and has a vanity with double sinks, head and large stall shower. On the aft port side, is a walk in closet. The stateroom has four hanging lockers and multiple (12) drawers and is also where the washer and dryer are located.

- Island King berth
- Bureau desk with chest drawers
- Cedar lined hanging lockers
- Drawers under berth
- Rope lighting
- 48" OLED TV (wired to Garmin system for Navigation feed)
- 316L Port lights
- Washer and Dryer

VIP STATEROOM

- The VIP suite is forward and features an island king, but also optional bunks on either side of the berth (great for two kids or more room to throw your bags).
- Island King
- (2) single berths
- (2) Overhead hatches
- Reading lamps
- Multiple drawers and storage cabinets
- 50" OLED TV
- Stereo system

PORT GUEST STATEROOM

This guest stateroom has twin, side by side berths, with a large mirror and nightstand between them. Forward of the is a full sized hanging locker, and ensuite head, with vanity, sink, head and stall shower. There is also a door to enter the head from the companionway, for the guests in the Starboard guest stateroom (the only stateroom with ensuite head access).

- Cedar lined hanging lockers
- Stereo
- Reading lamps
- Portlight on port side

STARBOARD GUEST STATEROOM

- This stateroom has two stacked berths, hanging locker and drawer storage
- Cedar lined hanging locker
- Nightstand
- Flatscreen TV

CREW QUARTERS (currently set up as utility/work shop)

- Two single berths
- Storage
- Fully enclosed head with shower
- Refrigerator
- Microwave

HULL AND DECK

The Lower Aft Deck has uninterrupted teak decks and a built-in seating area with table. This yacht has an extended upper boat deck that provides full overhead protection from rain and sun. The salon door is very large and when it is open, the lower deck and salon become one for entertaining. There is a docking station in the lower aft deck that has engine controls, thruster controls.

- Hidden fueling ports with anti-spill catch basin
- 1.375" Stanchions main deck
- S/S rudders
- S/S cleats & hawse holes
- Proprietary Velocijet Strut keels
- Aquamet 22 propeller shafts
- SS Portholes heavy duty 316L SS
- Custom CNC cut Nibral propellers
- Fresh water washdown, cockpit
- Bronze through hull fittings
- Spotlight with remote at each helm station
- Custom stainless anchor light and pennant bracket
- Windlass Lotrans Titan B
- Super Duty custom trim tabs
- Exalto heavy duty windshield wipers and washers
- Proprietary stanchion base mounting system
- Custom hawse pipes in the corner of the transom with rollers and rope storage
- Built in seating with storage under
- Molded FRP stairway to flybridge and boat deck.
- Twin transom doors with steps to the integrated swim platform.
- Aft deck speakers integrated to the flybridge speakers

ENGINE ROOM AND MECHANICAL

Entering the the engine room from either transom (watertight and hydraulic) door, or aft cockpit lazarette access, into the utility/crew quarters, has full standup headroom and is air-conditioned. Currently set up as a utility room/work shop, this room is easily converted back to the double berths and head.

There is good access to all sides of the engines and this spotless room is brightly lit with upgraded LED lighting. The sea chest is at the forward end of the engine room and provides sea water to the engines, generator, air-conditioning, and all the other items on the yacht that need sea water for cooling. Each item has its own shut-off valve for servicing. The two plumbed together 1,500 gallon fuel tanks are just in front of the forward engine room bulkhead. This is the center of buoyancy of the yacht so your running angle will not change as your fuel level changes. The fuel tanks also provide an additional layer of soundproofing between the engines and the cabins forward.

- Pressure freshwater faucet
- Aquadrive Centa flexible drive couplings
- Soft engine mounts
- Proprietary sea chest water intake system
- Drive coupling covers, FRP
- PSR pressure freshwater system
- Reverse Osmosis water filtration for dockside water (owner only washes boat with this water)
- UV light system (two units) for whole boat
- Sea Chest inspection and cleanout port
- Hull Shield transducer/barnacle suppression system (on hull and Sea Chest)
- Seacocks on all seawater supply lines
- Upgraded Twin 25KW Northern Lights Generators Gen #1: 2,500hrs Gen #2: 1,800hrs
- PJR drinking water pump
- Water heater, 30 gal stainless steel
- Proprietary fiberglass insulation blanket
- FRP fuel tanks with sight gauges
- Engine room lead/foam sound insulation
- Engine room blowers 220V high volume
- Saltwater pump
- S/S water tanks w/sight gauges
- Racor fuel water separators, dual with gauge
- FRP holding tank plumbed
- Engine room vent blowers 2x12V, 24V
- Dockside or overboard discharge
- Engine isolation switches
- Engine raw water pump thermostat senders (for Maretron system on command bridge)
- Common drainage system for sink, deck, shower and bilge
- Upgraded Freshwater main engine flush has been added and used after every trip. (Raw water is flushed out and replaced with fresh water.)
- Fresh water outlet with hose for engines & generator
- Engine-Generator-Gears oil change system
- 304 Stainless domestic water tanks
- Heavy duty manual bilge pump
- Under water exhaust system
- High water bilge alarm in engine room

- Dry Bilge System
- 24V overhead lights, waterproof
- Dripless engine shaft seal logs
- FRP gray and black water tanks
- Heavy duty vacuum pumps for gray and black water
- Smooth finish gel-coated bilges
- HD watertight engine room door with inspection port
- Heavy Duty exhaust hose clamps
- High Temperature silicone exhaust hoses common drainage system for all discharges
- Proprietary Air inlet system, baffled
- Polished Stainless engine beds, risers and fuel manifolds
- 24-volt bilge blowers
- Engine lube oil tank
- FRP fuel tanks
- Color coded copper piping for fuel, water and hydraulic system
- DC outlet
- AC outlet
- NEW Deangelo Marine Exhaust
- Four 3,700 GPH bilge pumps with auto & manual switch
- Varnished teak bilge grating
- 240V fluorescent lighting
- Side Power Zero Speed Fin Stabilizers
- FCI Watermaker - 1800 GPD
- Tides Marine dripless shaft seals
- Tides Marine rudder shaft dripless shaft seals
- Main engine water pumps, turbo chargers, air seps, gear oil coolers, and exhaust - NEW 2021 with 1year manufacturer warranty on parts
- Yacht Controller with throttle, thruster and windlass control
- Crushed Ice maker (dumps into starboard transom step hatch)

UPDATES

This is what sets "Griffin" apart from her peers. Not only can you say "dialed in" but the dedication, money and effort, make for a truly spectacular vessel. Much here would need to be explained in depth, for the special touches that we are confident no other Marlow has. We have invoices and receipts and captain's logs for every time this gorgeous boat moves.

- **2018**

- Main new engine water pumps and Aftercoolers

- **2019**

- New Garmin 22" and 16" multiscreens

- New Custom trash/recycling pull out bins in galley
- Strip and sealed teak cap rails (sealed 3 times a year)
- Fresh water system- UV generators installed, Reverse Osmosis filtration for both dockside water and water maker.
- Installed Stern dockside water connection
- Engine intakes removed and repainted
- Engine water pumps replaced
- Engine Valve adjustment (part of 2000 service)
- High pressure fuel lines replaced
- Aftercoolers removed cleaned and pressure tested
- New fiberglass engine exhausts from risers to transom (custom stainless rings inside to prevent crushing)
- Generator (port) new water pump, strip and paint (Alwgrip) entire unit, rebuild and insulate sound shield
- Props reconditioned
- New 80Kg Ultra Anchor, custom pulpit bracket and 300' upgraded chain
- Side Power Stabilizer service
- **2024**
- New Cambria Quartz galley Countertops (special order to be lightweight)
- New Galley faucets
- New DMI (Bolan) runner/floor covering in Pilothouse, Galley and Master head

- Resurfaced pilot house and command bridge dash with Ecodomo leather
- Custom chartplotter frame for command bridge
- New Fusion amp for command bridge and upper deck speakers
- New command bridge AC system
- New chiller AC insulation
- Replace all hatch and door gaskets
- Rebuild wing doors
- Removed, rebuilt and repainted blower housings
- Engine paint - Awlcraft
- Engine oil lines replaced
- Custom Sea Chest vacuum float and pump
- Generator (starboard) new water pump, rebuilt heater changer, New lower exhaust elbow, rebuild Paint (Awlgrip) and insulate sound shield
- New upper and lower shaft bushings
- New shaft seals
- Prop shafts balanced
- Rebuild Yacht controller
- New Pro Stock Fenders
- **2025**
- Rebuild bow thruster armature, replace brush springs and solenoids
- New pilothouse bow thruster controller
- New deck level stereo amplifier
- New Garmin USB reader
- New Garmin GPS antennas
- New Predict Wind Data hub installed
- Refinished (AwlCraft paint) midship lazaret bilge, and added access ports to floor gutter
- Refinished (AwlCraft) bilge under master sr bed
- Refinished bright work trim in pilothouse and command bridge
- Refinished stbd wing door bright work around dog mechanism
- Brow and running board stripped and refinished
