Description

This 2017 Tiara Yachts C53 Coupe masterfully combines contemporary styling, luxurious accommodations, and proven offshore performance in a highly upgraded and meticulously maintained package. Her sleek profile, integrated hardtop, expansive tinted windows, and open-concept salon create a seamless connection between indoor and outdoor living spaces, while providing exceptional natural light and panoramic visibility throughout the cockpit, salon, galley, and helm.

Powered by twin Volvo Penta D11 IPS950 engines with joystick control and Dynamic Positioning System (DPS), she delivers impressive performance, outstanding efficiency, and effortless maneuverability in close quarters. "Shangri-La" features a spacious three-stateroom, two-head layout highlighted by a full-beam master suite with a king-size berth, en suite facilities, and abundant storage. The forward VIP stateroom offers flexible accommodations with a convertible queen-to-twin berth arrangement, while the starboard guest stateroom features comfortable over-under bunks for additional guests.

Extensive recent services, upgrades, and preventative maintenance make this vessel truly turnkey and ready for her next owner to enjoy immediate cruising adventures. Combining Tiara's renowned craftsmanship with modern technology and luxurious comfort, "Shangri-La" represents an exceptional opportunity in the highly sought-after coupe yacht market.

- Volvo Dynamic Positioning System (DPS)
- Seakeeper 9 gyro stabilizer with extended warranty
- Upgraded hydraulic swim platform
- 2022 Inmar tender with 25hp Suzuki outboard
- Full Garmin electronics suite with twin displays
- FLIR night vision camera
- AIS installed (2025)
- Electric cockpit sunshade
- Electric/pneumatic sunroof
- Dark blue hull with white boot stripe
- Four Lumitec underwater lights
- Bose salon stereo system
- Intellian i5 satellite TV system
- Yacht Controller wireless remote (2026)
- Maintained by professional yacht manager

Cockpit & Exterior Features

Designed with entertaining in mind, the cockpit offers an exceptional outdoor living experience, featuring an electric retractable sunshade, hydraulic swim platform, electric grill, cockpit refrigeration, and an adjustable teak table for effortless alfresco dining. Thoughtfully arranged seating provides flexibility for socializing, relaxing, or enjoying the view. Forward, a spacious bow sun pad with integrated cupholders creates the perfect retreat for soaking up the sun and enjoying beautiful days on the water.

- Hydraulic swim platform
- Electric retractable cockpit sunshade
- Kenyon electric grill
- Cockpit refrigerator
- Hydraulic storage locker
- Electrically adjustable varnished teak table
- Adjustable cockpit seating
- Cockpit shower
- Swim ladder
- Cockpit cushions and covers
- Bow sun loungers

Galley

Stepping into the galley, expansive panoramic windows fill the space with natural light, creating a bright and inviting atmosphere. Equipped with premium stainless-steel appliances, abundant storage, and a highly functional aft-galley layout, this well-appointed space is perfectly suited for entertaining and preparing meals with ease, whether for casual gatherings or more elaborate dining experiences.

- Four Isotherm refrigerator/freezer drawers
- High-output ice maker
- Kenyon 3-burner ceramic cooktop
- Granite countertops with stove cover
- Dual stainless sinks
- Sharp convection microwave
- Extensive cabinet storage

Salon & Helm

Stepping into the expansive salon, you are welcomed by the yacht's signature bow loungers and a thoughtfully designed layout that seamlessly blends comfort and functionality. A generous L-shaped settee to port is complemented by a versatile companion seat and an additional loveseat positioned aft of the helm, creating an inviting space for relaxing or entertaining. At the center, a high-gloss teak table mounted on a hi-low pedestal rotates 90 degrees to maximize dining space while preserving the unobstructed centerline walkway. The companion seat features fore and aft adjustment, along with an easily repositioned backrest, allowing it to adapt effortlessly to any occasion. Rich teak joinery, polished stainless-steel accents, and premium Ultraleather upholstery combine to create a warm, sophisticated interior with timeless appeal.

- Adjustable captain's helm seat
- Volvo joystick integrated into helm armrest
- Seakeeper controls
- Custom Tiara leather/stainless steering wheel
- Stainless steel LED-backlit switches
- ACR remote spotlight controls
- Retractable hidden salon TV
- Leather seating with storage
- Folding/spinning varnished salon table
- Opening side windows
- Electric/pneumatic sunroof
- Bose sound system

Electronics & Navigation

The helm is exceptionally well-equipped for confident, effortless operation, featuring twin 16-inch Garmin displays and an integrated grid controller conveniently built into the armrest for seamless switching between navigation and vessel systems. Volvo Penta's Dynamic Positioning System (DPS) joystick provides precise low-speed maneuverability, while the wireless Yacht Controller delivers enhanced freedom and control when docking, handling lines, or operating the vessel from virtually anywhere onboard.

- Twin Garmin multifunction displays
- Wireless Yacht Controller
- Garmin GPS chartplotter
- Garmin HD radar
- Garmin autopilot
- Garmin VHF radio
- FLIR night vision camera
- AIS transceiver
- Volvo Dynamic Positioning System
- Compass
- Depth sounder
- Cockpit and engine room cameras

Master Stateroom

The full-beam master stateroom provides the owner with a private sanctuary, thoughtfully designed for comfort and relaxation. A king-size berth serves as the centerpiece, while the en suite head and separate shower, dual hanging lockers, in-suite washer/dryer combination, and independent climate controls deliver exceptional convenience and luxury for extended cruising. Expansive beam-to-beam hull windows flood the space with natural light and offer breathtaking views of the surrounding water, creating a bright, serene retreat unlike any other.

- Full-beam layout with king berth
- Ensuite head and shower
- Beam-to-beam hull windows
- Dual hanging lockers
- Washer/dryer combo
- Independent A/C controls
- Flat Screen TV
- Sun shade
- Opening portlights

VIP Stateroom

The forward VIP stateroom offers exceptional versatility with a unique scissor-style centerline berth that easily converts from a queen berth into twin berths, providing flexible accommodations for a variety of guests. An overhead hatch and two opening portlights fill the space with natural light, enhancing the bright and welcoming atmosphere. Private en suite access to the head adds convenience, while built-in cabinetry, generous storage compartments, and hanging lockers provide ample space for personal belongings, ensuring guests enjoy a comfortable and relaxing stay aboard.

- Convertible queen berth to twin berths
- En-suite access to head
- Opening portlights to allow fresh air
- Overhead hatch with shade and bug screen
- Hanging lockers
- Built in storage
- Flat screen TV

Guest Stateroom

The starboard guest stateroom is thoughtfully appointed with two generously sized over-under berths, providing comfortable accommodations for family and guests alike. Rich Ultraleather upholstery, warm teak flooring, and abundant storage create an inviting and functional retreat. Convenient access to the shared head and separate shower is provided through a private doorway from the companionway, offering added comfort and practicality for extended stays aboard.

- Over/under bunks
- Hanging locker
- Adjustable reading light
- LED overhead lights
- Teak flooring
- Ultraleather walls and ceiling

Mechanical & Electrical

- Twin Volvo 725 HP D11 B2-A-MP IPS950 engines (Approx. 750 hours)
- Cummins Onan 13.5 kW generator (Approx. 950 hours)
- Sea keeper 9 stabilizer (Approx. 250 hours) with extended warranty
- U-Lube oil change system
- Lenco trim tabs
- Shore power inlet – 50 amp
- Battery charger
- Air conditioning and reverse-cycle heat
- Electric heads
- Central vacuum system
